on 22.02.2026 at 18:00 hours the complainant Chandapuram Manikanta S/o Chandrashekar, Age: 22 years, Caste: Mudiraj, Occ: Business (Glass Frame work) R/o Nethajinagar, Makthal Mandal, Narayanpet, Ph.9441016205 came to Makthal PS and lodged a Telugu written petition in which he stated that on 22.02.2026 around 16:00 hours while he was looking after work in his shop, two persons came to his shop and asked to make a frame, as such he made a photo frame according to their requirements and asked for the money, but they refused to pay the amount as they agreed and gave him minimal amount, up on asking to pay the money he asked they both attacked on him with a glass which was present there by which he received bleeding injury beside his left eye. Up on seeing those, neighbors came to settle the issue but they pushed them aside and dragged him from his shop to outside and abused him in filthy language further punched him with hands indiscriminately by which he received blunt injuries. Up on enquiry the person's names are Nanda Kishore and Kiran Kumar both belongs to Maganoor village and mandal. Hence, he requested to take necessary legal action as per law.

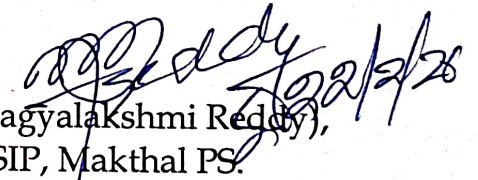

Based on the above complaint, I registered a case in Cr. No. 57/2026 U/s 1118(2), 115(2), 352 R/w 3(5) BNS and took up the investigation.

During the course of investigation, I examined and recorded the statement of LW1 U/s 180(3) of BNSS and incorporated the same in Part II CD at the Police Station., and sent him to Govt. area hospital, Makthal for treatment and wound certificate. Subsequently I visited the scene of offence situated at Sukanya Glass frame work shop, Nethajinagar Makthal town, which located towards the East direction at distance about 500 mtrs, to the

police station. At the scene, I carefully observed the surroundings and secured two mediators, i.e LW-5 and LW-6. In their presence, I conducted the Scene of Offence Panchanama and prepared a detailed rough sketch of the crime scene in the Crime Detail Form, depicting all its surroundings accurately. During the panchanama, I searched for the case property, but nothing was found at scene, the accused might be thrown it somewhere, as such I could not seized anything at spot. Furthermore, I examined and recorded the statements of LW-2 to LW-4 U/s 180(3) of BNSS and incorporated the same in detail in Part II CDs at the spot.

Subsequently, the accused persons themselves came to PS and surrendered before me, and admitted their guilt of offence, as such I served Notice U/s 35(3) BNSS to them and instructed to appear before on 23.02.2026 along with ID proofs and documents. In this case I have to collect ID proofs and acknowledgement receipts form the accused persons. Soon after receipt I will finalise the case.

Closed the CD for the day; further progress follows.
